**2. Treasurer Report**-I try to explain what everything means. Balance sheet is how much cash we have in the bank-about \$54K. We have \$5K for checks to clear. We are helping send kids to camp, we have scholarship payouts, etc. Profit and loss-expenses and such. We had about \$35K in and \$22K in expenses. We have already started to pay for next year. That is in a bucket off to the side. Our fiscal year ends in June. The next meeting we will approve the budget for next year. We are in the black.

### 3. Executive Board

• **Approve the April meeting minutes** Andy motioned. Josh 2nd

**4. Director Update** marching band is up and running. I'm going to get a sample uniform. We are getting music out to the kids soon. We have graduation-that is our last hooray. We have summer camp. We will be marching in the Memorial Day Parade. Kids have to be at school at 10:15. Since we don't have dry fits in, older students will be doing black shirt and shorts. Black socks and tennis shoes.

**5. VP Ways & Means Update** Lou's fundraiser: thanks to Beth, Michele and the committee. We gave back about \$4k with this fundraiser. We sold 758 coupons. This year has been great for fundraising and volunteers.

**6. Operations Update** we are moving props this week. We just need to bring them here. I need to reserve the trucks. Anne-Dan will officially drive the trailer. We have a back up!! (thanks to new parents!!) Carrie-this position schedules the transportation for MB to and from competition. Deanna-Belin will follow up with storage space. The rumor is that we may get garage space.

## **Committees: *update from committee leaders/Representative Board Members***

**Website (Josh/Matt)** Josh-no report. Clover-the process is started. Josh took pics of all the ensembles. Matt will post the senior video

- **Sponsorship Program (Carrie)** June 1-30. I'm dividing up Huntley businesses for each section. I need one parent for each section. Big feedback-businesses want students to ask for the money. We need parents to follow up and keep kids accountable.

- **Band Meals (Joya)** for band camp, Booster will provide a meal option. We cook for band camp. For football games, we try to get meals donated or at a low cost.

- **Uniforms (Anne)** I have been here for the last 3 Thursdays. Everyone tried on a competition top. I measured the guard. I emailed Danny all the sizes. We have cleaned out the closet. Wind Ensemble uniforms are coming back. We will get those washed and dry cleaned. Deanna-Anne has asked for a ladder. Board approved.

- **Spirit wear (Deanna)** We have the students design a shirt, the students vote and then we order. Mike-we need bigger sizes. Beth-Caron said we need tall sizes, too. Andy-the 2024 logo and the remaining stickers and patches are going to be given to the field crew, parent volunteers. Andy and Matt will connect.

- **Scholarships (Josh)** we had a good year. Emails were sent to the winners. We have some ideas for more participation. I want to poll why no one from color guard applied. Tomorrow night there is a presentation for seniors that won a scholarship-Austin and his parents were very excited. Rebekah can't make it.

- **Tag Days (Amy)** we have talked about this. Amy has sent all the info. Tomorrow kids will make posters. Boosters will provide pizza. We encourage all students to take 2 shifts, and parents to get involved. Danny has music. Carrie-color guards are encouraged to participate. It can be basic moves.

**7. Discussion Items** Deanna-Sarah, Danny and I met about the budget. We will vote on this next month.
